A blank sheet of white graph paper featuring a uniform grid of thin black horizontal and vertical lines. The grid consists of 10 columns and 8 rows, creating a total of 80 small squares. A thicker vertical line runs down the left side, approximately one-fifth of the way from the edge, serving as a margin. A thicker horizontal line runs across the top, approximately one-eighth of the way from the edge, also serving as a margin. The intersection of these two lines creates a rectangular area at the top-left corner, likely intended for writing a title or header information. The rest of the page is filled with the standard grid pattern.
